

WYNDHAM HILL METROPOLITAN DISTRICT NO. 3

2022 BUDGET

SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

In accordance with its Service Plan, Wyndham Hill Metropolitan District No. 3 (the "District"), was formed to provide funding and tax base to Wyndham Hill Metropolitan District No. 1 for the cost of public improvements necessary to provide access to and appropriate services within the property known as "Wyndham Hill," which is located in Frederick, Colorado. Such public improvements include, but are not limited to, storm drainage, water, utilities, streets, traffic and safety and parks and recreation improvements.

The Service Plan, as amended in 2005, 2006, 2008 and 2020, provides the ability for the District to impose a maximum mill levy for the combined debt service and operational and maintenance requirements of the Wyndham Hill Metropolitan District Nos. 1, 2 and 3. The Fourth Amendment to the Service Plan allocated the combined debt limit, as follows: \$2,000,000 for District No. 1, \$27,000,000 for District No. 2 and \$7,000,000 for District No. 3. The Third Amendment to the Service Plan established a separate and specific revenue debt limit of \$30,000,000 for District No. 3 to accommodate the issuance of revenue-based indebtedness for the portion of public infrastructure construction costs attributable to the commercial development.

The District prepares its budget on the modified accrual basis of accounting and the budget has been adopted after proper postings, publications and public hearing.

Revenue

Ad Valorem Property Taxes

The primary source of revenue for the District is property taxes. Property taxes are assessed and collected based upon the assessed value of all of the non-exempt property located within the District. The District adopts mill levies for debt service and for operations which, when combined with the District's other sources of revenue, provide sufficient resources to pay the required debt service (if any), capital purchases and the estimated costs of operations for the calendar year.

Pursuant to the Service Plan and the Gallagher Amendment, the maximum mill levy is 55.663 mills in 2022. The District adopted a mill levy of 55.663 mills for general fund expenditures in 2022.

The net total taxable assessed valuation within the District in 2021 was \$797,170, an increase of \$55,615 from the 2020 valuation.

Specific Ownership Tax

Specific ownership tax revenue is collected on annual motor vehicle registrations within Weld County and is distributed based upon the proportion of property taxes levied within the County during the preceding calendar year. The specific ownership tax revenue is estimated to be 6.00% of the ad valorem property taxes collected in 2022.
